## SECTION 4

### General Data Protection Regulations

At SAIF we take your privacy seriously and we will treat your personal information with care and confidentiality in line with the UK Data Protection Laws. We shall not share your information with other members of SAIF (funeral premises / associations) without your permission.

For further information please refer to our Privacy Policy <https://saif.org.uk/online-privacy-policy/>

We will use your contact details such as your address, phone number and email address to contact you with any important information about your membership and any information about SAIF.

The information provided will be used for membership subscriptions, quality inspections, invitations to events from SAIF and any other relevant membership requirements.

We would like to pass on your information to our Associates (who are also members of SAIF) so that they may offer you their products and services.
