

CHARITY OF THE YEAR

MY
NAME'S
DODDIE
foundation

Thank you so much for picking My Name's Dottie Foundation as your company's charity of the year. We can't continue to work towards our aim of a world free of MND without continued support like this, so thank you from everyone at the Foundation!

We are here every step of the way to help you plan a successful year of fundraising.

Getting Started

1. Tell your staff

Make sure you introduce us to your staff. Whether it's an article on your intranet or your website, we can help you provide a blurb, logos, photos, and social media links.

2. Create a plan for the year

Take time to sit down and plan out what you and your organisation wish to do. Look out for key dates which may bring everyone together and don't forget to look at our What's On page for a list of events that your colleagues could take part in.

3. Materials for staff

Once you have an idea of activities, we would be delighted to provide you with some branded materials. For example:

- Money boxes
- Leaflets, badges and pens
- Bunting and tablecloths for events
- Branded T-shirts and much more!

4. Request a fundraising campaign page

If your plan is to do several events throughout the year – why not request a campaign page? This would be a central place for you to donate any monies raised and will also allow your colleagues to set up their own fundraising pages should they take on additional challenges or events!

Get your office ready for Doddie Aid!

Doddie Aid is our virtual mass-participation exercise event which starts on the 1 January. Participants sign up using the Doddie Aid app, choose a district to represent, claim their FREE district snood and log all their exercise miles on the app whilst fundraising for My Name's 5 Doddie Foundation!

Add Doddie Aid to your calendar of events this year, pledge your miles and see who comes out as your company's winner!

READY, SET, GO!
